RESOLUTION: DECLARE 1998 WOODS FIFTEEN FOOT BAT WING MOWER AS SURPLUS

WHEREAS, the Woods 15 foot Bat Wing Mower Unit requires a tractor to pull it, which makes ruts in the Town Parks in the springtime and during periods of wet weather, and

WHEREAS, the Town board has decided to use smaller self-propelled mowers in the parks which cause less damage during wet conditions, thus replacing the need for the Woods Mower Unit.

NOW LET IT BE RESOLVED, that the Collins Town Board hereby declares the 1998 Woods Fifteen Foot Bat Wing Mower Model #9180-2 to be surplus and that it be put up for sale.
