

**Town of Collins Planning Board Meeting  
November 19, 2019**

**Call meeting to order:**

Chairman Brian Martin called meeting to order at 7:00 PM with the pledge of allegiance & attendance taken.

**LED Signs:**

- With more businesses putting up LED signs, Ch Brian Martin mentioned there is a LED sign in Cheektowaga that is so bright to the point it's blinding, which could be a road hazard. He's concerned if businesses in the Town of Collins should put up LED signs, the lumen's should be regulated for road safety and neighbor comfort of not having a bright light shining in their windows all night.

**LED Street Lights:**

- Ch Brian Martin mentioned that some of the streetlights on Route 62 have been changed over to LED's.

**Gernatt Gravel:**

- PB member Tom Raymond asked if there is any more information regarding Gernatt Gravel's request for a Special Use Permit. Ch Brian Martin replied there's no new information since Gernatt's got their study back.
